Sylvan and Team,

We start at the river today, then Silverlake Blvd. See below.

Outreach at the River - The only place for the Clean Team trucks to access the river is the Gilroy entrance. Other vehicles can park on Crystal St. off of Fletcher Drive and walk north toward Glendale Blvd. The encampment is on the west bank of the river on the bike path and in the river bed island. It is approximately across from Acresite St. (if you look at a map) It is a very tight area especially when cyclists are commuting.
